

California
CHAPTER

LIVE AND IN-PERSON SYMPOSIUM!

20 Live Complex Coronary and
Structural Satellite Transmissions

2021 Cardiovascular Interventions

November 16 – 19, 2021

Hilton La Jolla Torrey Pines • La Jolla, California

COURSE DIRECTOR

Paul S. Teirstein, MD, DNBPAS, FACC, FSCAI

SCRIPPS COURSE CO-DIRECTORS

Matthew J. Price, MD, FACC, FSCAI

Richard A. Schatz, MD, FACC

Curtiss T. Stinis, MD, FACC, FSCAI

This activity has been approved for
25 AMA PRA Category 1 Credits™

This conference fulfills the Title 17 California Code
requirement for 4 CE credits in radiation safety for
the clinical uses of fluoroscopy.

www.cvinterventions.com

Introduction

Course Overview

Cardiologists are trained during their fellowship years in the latest techniques, technologies, standards of practice and guidelines for patient care. However, the practice of medicine changes rapidly and the discipline of interventional cardiology changes dramatically each year. Changes in interventional cardiology directly impact patient care and require constant updates to physician knowledge and practices. Physicians rely on journal articles, interaction with colleagues and lectures throughout the year to keep their knowledge up-to-date. The primary purpose of the "32nd Annual Cardiovascular Interventions" symposium is to provide the practicing physician and cardiovascular care team with a concentrated exposure to new developments in interventional cardiology that will positively influence patient outcomes.

The 2021 scientific program has been carefully designed by consulting recent key clinical trial data, articles in peer-reviewed scientific journals, physician focus groups, past evaluations, and needs assessments. By attending this program, participants will learn the latest advances and debates in interventional cardiology. They will return to their practice environment armed with the latest evidence-based, practical information to improve patient care and outcomes.

Conference Highlights

- Live case transmissions from the state-of-the-art Scripps Prebys Cardiovascular Institute
- Plenary lectures from internationally known leaders
- Ample question and answer time with expert faculty
- Attendee receptions with networking opportunities among colleagues
- Diverse satellite symposia and pre-conference seminar on the latest advances

Target Audience

This course is designed for interventional cardiologists, cardiac surgeons, vascular surgeons, internists, NPs, PAs, nurses, cath lab technicians, perfusionists, registered cardiovascular invasive specialists, radiologic technologists, and those with a special interest in interventional cardiology. No experience in interventional cardiology is required, however a basic understanding of the field is recommended.

Educational Objectives

After attending this activity, participants should be able to:

- Apply new technical approaches to specific lesion subsets such as bifurcation lesions, left main lesions, chronic total occlusions and saphenous vein graft disease
- Integrate the latest guidelines and practice improvements into the management of myocardial function
- Discuss new techniques under development for transcatheter cardiac valve repair and replacement
- Reduce common catheterization laboratory patient complications using new techniques and technologies
- Critique the latest evidence supporting new coronary physiology and imaging modalities such as IVUS, OCT and FFR/iFR guided stent deployment
- Prescribe the appropriate antithrombotic therapies based on the latest data and guidelines

CME Accreditation and Designation

Promedica International is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Promedica International designates this live activity for a maximum of 25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Contact Hours

Provider approved by the California Board of Registered Nursing, Provider #8495 for 25 Contact Hours.

Physician Assistants

NCCPA accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME. Please see the credit designation for AMA PRA Category 1 Credit(s)™. View NCCPA's guidelines for CME at www.nccpa.net/maintain-certification/.

Perfusion CEUs

Category 1 CEUs for perfusionists are pending approval by the American Board of Cardiovascular Perfusion (ABCP). Please check www.promedicacme.com for updated information.

Registered Cardiovascular Invasive Specialist CEUs

CCI does not approve CEUs directly, however CCI will accept CEUs that have already been approved by accredited sponsors of the Accreditation Council for Continuing Medical Education (ACCME). RCIS attendees will claim the physician certificate option when completing the online evaluation and can use that certificate to claim CEUs from CCI.

Radiologic Technologist CE Credits

Credit is pending approval by the ASRT. Please check www.promedicacme.com for updated information.

ABIM MOC Accreditation

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 25 Medical Knowledge MOC points and Patient Safety MOC credit in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Radiation Safety

This conference fulfills the Title 17 California Code requirement for 4 CE credits in radiation safety for the clinical uses of fluoroscopy.

Commercial Support

This course is supported, in part, by educational grants from industry, in accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education. At the time of printing, a complete listing of commercial supporters was not available. Appropriate acknowledgement will be given to all supporters at the time of the educational activity.

Tuesday, November 16 Pre-Conference Symposium

8:30 AM – 3:30 PM

Sponsored by *Abiomed, Inc.*

This activity is not included in CME hours
PCI in the Patient with Heart Failure

8:00 – 8:30 AM

Breakfast

8:30 AM

The Epidemiology of Heart Failure

Ajay Srivastava, MD

8:50 AM

**Do All Patients with New Onset HF
Need Assessment for CAD?**

Jeffrey W. Moses, MD

Progression of Disease

9:05 AM

CHF Pathophysiology, Etiology

Ajay Srivastava, MD

9:25 AM

**CHF Diagnosis and Workup:
WHO Needs a CHF Workup, WHAT
is the Minimal Evaluation, WHEN
Should We Consult the CHF Team?**

Rajeev Mohan, MD

9:40 AM

**Optimal Guideline Directed Medical
Therapy for CHF**

Ajay Srivastava, MD

9:55 AM

**Patients with LV Dysfunction
and Advanced Coronary Disease:
Perspectives on Medical Therapy
vs. Revascularization with MCS**

Navin Kapur, MD

10:10 – 10:30 AM

Break

10:30 AM

**The Growing Patient Population
for Protected PCI: Patient Selection
in the Roaring 20s**

Duane S. Pinto, MD, MPH

10:50 AM

**Treatment Strategies for Treating
the Growing High-Risk Patient
Population: Large Bore Access
for Small BMI Patients**

Jeffrey W. Moses, MD

11:05 AM

**Alternative Strategies for Large
Bore Access: Using a Single Site
for Support and Intervention**

Jason Wollmuth, MD

11:20 AM

**FFR and iFR in the Setting of MCS:
Comparing the Accuracy of FFR
and iFR When Using Impella, ECMO
or IABP**

Ziad Ali, MD, DPhil

11:35 AM

Role of IVL in the Coronaries

Duane S. Pinto, MD, MPH

11:50 AM

Panel Discussion/Q&A

12:00 – 12:45 PM

Lunch

Ehtisham Mahmud, MD

1:15 PM

**Efficacy of Extensive
Revascularization with Impella
Support**

Jeffrey W. Moses, MD

1:30 PM

Panel Discussion/Q&A

1:45 – 2:00 PM

Break

2:00 PM

**The SCAI Stages of Cardiogenic
Shock**

Cindy Grines, MD

2:15 PM

Identifying Shock

Navin Kapur, MD

2:35 PM

**The Team of Teams for the
Treatment of Shock**

Behnam Tehrani, MD

2:55 PM

Panel Discussion/Q&A

3:10 PM

Closing Remarks

Reception to immediately follow

Afternoon Hands-On Symposium

4:00 – 5:00 PM

Sponsored by *Asahi Intecc USA, Inc.*

This activity is not included in CME hours

**Asahi Hands-on Advanced Guide-
wire and Microcatheter Workshop**

More information will be
available soon online at
www.cvinterventions.com and
www.promedicacme.com.

Dinner Symposium

6:00 – 8:00 PM

This activity is sponsored by industry
and not included in CME hours

TAVR Tuesday

Moderator:

Paul S. Teirstein, MD

**Post TAVR Echo Gradients Are
a Good Indicator of Patient
Prosthesis Mismatch**

Hemal Gada, MD, MBA

**Post TAVR Cath Gradients Are
What Count – Ignore Minor Echo
Gradients**

Curtiss T. Stinis, MD

Accurate Neo TAVR Valve

David Rizik, MD

**Cerebral Embolic Protection
During TAVR**

Jeffrey W. Moses, MD

Wednesday, November 17

Breakfast Symposium

7:00 – 8:00 AM

This activity is not included in CME hours

**Overcoming Challenges in Radial
Intervention**

Moderator:

Matthew J. Price, MD

7:00 – 7:15 AM

**Tortured by Tortuosity: Wire and
Sheath Selection, BAT, Artery Choice
and More**

7:15 – 7:30 AM

**PCI in 6 – Getting the Patient
Out the Door in 6 hours or Less:
How to Overcome Institutional
Barriers to Same-Day Discharge**

7:30 – 7:45 AM

**Curse the Cross-Over:
Case Examples of Overcoming
Difficult Access**

7:45 – 8:00 AM

Discussion/Q&A

8:00 – 8:20 AM

Break

Morning Symposium I

8:20 – 9:10 AM

Sponsored by *Shockwave Medical, Inc.*

This activity is not included in CME hours

More information will be
available soon online at
www.cvinterventions.com and
www.promedicacme.com.

9:10 – 9:30 AM

Break

Morning Symposium II

9:30 – 10:20 AM

Sponsored by *BIOTRONIK, Inc.*

This activity is not included in CME hours

More information will be
available soon online at
www.cvinterventions.com and
www.promedicacme.com.

10:20 – 10:40 AM

Break

Morning Symposium III

10:40 – 11:40 AM

Sponsored by *ACIST Medical Systems, Inc.*

This activity is not included in CME hours

Moderator:

Paul S. Teirstein, MD

Faculty:

Ziad Ali, MD, DPhil

Allen Jeremias, MD

Evan Shlofmitz, DO

11:40 AM

Lunch

Lunch Symposium

12:00 – 1:15 PM

Sponsored by *Abbott*

This activity is not included in CME hours

**Simplifying Complex PCI with
Physiology and Imaging**

More information will be
available soon online at
www.cvinterventions.com and
www.promedicacme.com.

12:00 – 1:30 PM

General Symposium Registration Open

Grande Ballroom Foyer

1:30 PM

**Live Cases 1 & 2 from
Scripps Clinic**

**The Alphabet Soup of FFR, iFR,
RFR, dPR, PdPa, FFRct, FFRangio:
Which One Should I Use and When?**
Morton Kern, MD

OCT Made Very Simple

Matthew J. Price, MD

Best Practices for Radial Access

Matthew J. Price, MD

3:30 PM

Break & View Exhibits

4:00 PM

**Live Cases 3 & 4 from
Scripps Clinic**

**Femoral Access: Optimal Technique
and Complication Management**
Curtiss T. Stinis, MD

Complex TAVR: Outside the Box
Curtiss T. Stinis, MD

**Non-Surgical Alternative Access
for TAVR: Step-by-Step**
Curtiss T. Stinis, MD

Meet the Experts Panel & Cocktails

6:00 – 7:00 PM

Grande Ballroom Foyer

Sponsored by Boston Scientific

This activity is not included in CME hours

Moderator:

Paul S. Teirstein, MD

Meet the Experts Presenters:

William Lombardi, MD

Curtiss T. Stinis, MD

Jennifer A. Tremmel, MD, MS

Dinner Symposium

7:00 – 9:00 PM

Sponsored by Medtronic

This activity is not included in CME hours

Great Cases in Interventional Cardiology: Complications, Difficult Decisions, Challenging Anatomy and More!

Moderator:

Adjourn

Conference Location & Hotel Accommodations

Hotel Information

The Hilton La Jolla Torrey Pines Hotel is located on the internationally famous Torrey Pines Golf Course. Adjacent to Scripps Clinic, 10 minutes north of lovely La Jolla, and 20 minutes from the San Diego airport, the Hilton is close to all the attractions that make San Diego so desirable to visit. With the Pacific Ocean as a backdrop, all rooms command a spectacular view of either the ocean and championship golf course, or a meticulously tended, lush garden.

The Hilton La Jolla Torrey Pines is offering a special group rate of \$249 (plus tax and parking, if required) for meeting attendees through October 22, 2021 or until the block fills, whichever comes first. After that date, reservations will be accepted based on availability.

Hilton La Jolla Torrey Pines

10950 North Torrey Pines Road, La Jolla, California 92037

Reservations: 1-800-HILTONS

Hotel Direct: 858-558-1500

You must mention the Cardiovascular Interventions 2021 symposium when making your reservation in order to receive the special group rate.

Make your reservation online at www.cvinterventions.com or www.promedicacme.com.

Click the "Hotel" tab and follow the direct link to the special reservation site for our group.

Please be sure to join us for Wednesday night's dinner symposium!

"Great Cases in Interventional Cardiology: Complications, Difficult Decisions, Challenging Anatomy, and More!"

This will be an interactive symposium highlighting interesting cases with lively discussion by our expert panelists and conference attendees.

Submit Your Cases!

This is **your** opportunity to be part of the conference! Have an interesting case that you want to share or get input on? Submit it on DVD for consideration. If selected, you will have the opportunity to present your case to our panel of experts and to your colleagues for discussion. The 3 best cases will be chosen for presentation.

Cases can involve any topic or situation encountered in Interventional Cardiology including:

- Complex PCI
- Clinical Decision Making
- Peripheral Interventions
- Structural Heart Interventions

Submit Cases to:

Curtiss T. Stinis, MD • 9898 Genesee Ave • AMP-200 • La Jolla, CA 92037 • 858-824-5234
Rlaw@promedicacme.com

Mark your calendar to join us for next year's symposium!

33rd Annual Cardiovascular Interventions

October 25 – 28, 2022

Hilton La Jolla Torrey Pines, La Jolla, CA

Registration Fees & Information

Cardiovascular Interventions 2021

Included: Course tuition, breakfasts, breaks, lunches, pre-conference seminar, satellite symposia, and electronic course materials

Not Included: Travel costs, lodging, and parking

Conference Registration Fees

..... Physicians	\$899 through Oct 3	\$999 Oct 4 – Onsite
..... Fellows & Residents	\$599 through Oct 3	\$699 Oct 4 – Onsite
..... Nurses, Technicians & Others	\$399 through Oct 3	\$499 Oct 4 – Onsite

Satellite Symposia

- Yes, I will attend the Tuesday Pre-Conference Seminar
- Yes, I will attend the Tuesday, 4:00 – 5:00 PM Symposium
- Yes, I will attend the Tuesday TAVR Dinner Symposium
- Yes, I will attend the Wednesday Breakfast Symposium
- Yes, I will attend the Wednesday, 8:20 – 9:10 AM Morning Symposium
- Yes, I will attend the Wednesday, 9:30 – 10:20 AM Morning Symposium
- Yes, I will attend the Wednesday, 10:40 – 11:40 AM Morning Symposium
- Yes, I will attend the Wednesday Lunch Symposium
- Yes, I will attend the Wednesday Dinner Symposium
- Yes, I will attend the Thursday Breakfast Symposium
- Yes, I will attend the Thursday Dinner Symposium
- Yes, I will attend the Friday Breakfast Symposium

BY COMPLETING THIS REGISTRATION FORM AND RETURNING IT TO PROMEDICA INTERNATIONAL YOU ARE ACKNOWLEDGING COMPLIANCE WITH ALL ATTENDANCE POLICIES.

PLEASE PRINT CLEARLY and provide your direct contact information in order to receive any conference communications and updates. Your badge will read as follows:

FIRST, MI, LAST NAME		DEGREE (MD, DO, PHD, RN, etc)	
AFFILIATION / HOSPITAL / COMPANY		SPECIALTY	
MAILING ADDRESS			
CITY		STATE	ZIP
PHONE		FAX	
EMAIL (Required for confirmation & CME)		FAX	

 Please indicate any special needs (including dietary restrictions)
Special requests will be considered and accommodated in full compliance with the Americans with Disabilities Act (ADA)

Payment Method Check *Please make checks payable to Promedica International (in U.S. Dollars only)*

Registration Confirmation

A confirmation letter will be emailed to you upon receipt of the conference registration form and payment. If you do not receive the confirmation letter after submission, please contact Promedica International CME.

Attendee Cancellation Policy

The course tuition is refundable, minus a \$100 processing fee, if your cancellation is received in writing no later than October 3, 2021. Cancellations cannot be accepted over the telephone. Refunds will not be available after October 3, 2021.

Guest Attendance Policy

All conference activities (including educational sessions, meal functions, exhibit hall, etc.) are exclusively reserved for conference attendees. Non-registered guests (including children, family members, colleagues, etc.) are not allowed in the conference areas. Badges provided at registration are required for entrance into all functions and will be strictly enforced.

Symposium Materials

All symposium information including the detailed agenda, faculty listing, faculty disclosures, industry support, and course materials will be found on our fully mobile website.

Cultural and Linguistic Competency

This activity is in compliance with California Assembly Bill 1195 which requires that all CME activities comprising a patient care element include curriculum addressing the topic of cultural and linguistic competency. The intent of this bill is to ensure that health care professionals are able to meet the cultural and linguistic concerns of a diverse patient population through effective and appropriate professional development. Cultural and linguistic competency was incorporated into the planning of this activity.
